TECHNICAL DATA SHEET

AeroMarine Products E313 Release & Paint

Product Description

E313 Release & Paint is specially formulated as a paintable release agent and anti-stick lubricant for molded materials such as plastics, rubber, waxes, and similar materials. Allows molded parts to be painted, plated, hot stamped, adhesive bonded, labeled, or otherwise decorated. E313 provides a long lasting anti-stick film for fast, easy part removal from molds and multiple part releases per application. E313 improves molding efficiency in many processes including injection, vacuum form, and pour cast molding. E313 Release & Paint is UL Recognized. Contains no chlorinated solvents such as 1,1,1 trichloroethane or methylene chloride. Colorless and non-staining.

Key Features

- Allows parts to be painted, hot stamped, or otherwise decorated.
- Saves time by allowing molded parts to be removed quickly and easily from molds.
- Improves part appearance and reduces defects caused by sticking.
- Allows multiple part releases per application.
- Economical - a light coating produces best results.
- Formulated to provide high levels of user and environmental safety.
- Contains no chlorinated solvents such as 1,1,1 trichloroethane or methylene chloride.
- Colorless and non-staining.
- UL Recognized.

Main Applications

- Paintable release agent for urethane casting resin and epoxy
- Allows molded parts to be painted, hot stamped, or otherwise decorated
- Provides a long lasting anti-stick film for fast, easy part removal and multiple part releases per application
- Improves molding efficiency in many processes including injection, vacuum form, and pour cast molding.

DISCLAIMER: AeroMarine Products makes no warranties, express or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the seller's product is fit for a particular purpose and suitable for a user's particular method of application. Many factors can affect the use and performance of seller's product. Given the variety of factors that can affect the use and performance of seller's product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the seller's product to determine whether it is fit for a particular purpose and is suitable for the user's method of application. If the seller's product is proven to be defective, THE EXCLUSIVE REMEDY, AT SELLER'S OPTION, SHALL BE TO REFUND THE PURCHASE PRICE OF OR TO REPAIR OR REPLACE THE DEFECTIVE PRODUCT. Seller shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including, but not limited to, contract, negligence, warranty, or strict liability.
